## TÖMER

The Turkish Teaching Application and Research Center at İğdir University was established in accordance with the decision taken at the Higher Education Board meeting on 21.06.2017.

Located in İğdir, the only city in Turkey and the world that borders three countries, İğdir University's TÖMER (Turkish Language Teaching Center) teaches Turkish, the world's oldest and most established written language, to students from Turkey, Turkic Republics, Balkans, Middle East, Africa, Russia, and Europe who come from all corners of the globe to our country.

For international students wishing to study at our university, our TÖMER courses include levels A1, A2, B1, B2, and C1. Each course consists of 150 hours of instruction.

## INTERNATIONAL STUDENTS

We are undertaking efforts to ensure that foreign students studying at our university experience a quality educational period at İğdir University, complete their studies with feelings of sincerity, satisfaction, and sympathy, and return to their countries with the same competence and emotions.

Students can apply online for both undergraduate and graduate programs at our university.

Online applications are announced on our university's website and social media channels.

The application process concludes in November. For detailed information, please visit <https://uluslararasiogrenci.igdir.edu.tr>.

When you step into Iğdır University, you will find yourself in an energetic and dynamic campus life.

Our university aims to provide students with not only education but also a rich experience in social, cultural, and sports activities. We have two campuses: Şehit Bülent Yurtseven Campus and Karaağaç Campus.

Social facilities on our campuses make them vibrant centers of life. Our sports centers offer extensive opportunities in basketball, football, volleyball, tennis, swimming, and many other sports, hosting various sports clubs and events.

Time spent in our campus cafeterias and dining halls strengthens students' social bonds, making student life more colorful and active.

Additionally, our university organizes various symposiums in the fields of science, culture, and arts, providing an important platform for students and academics alike.

For more detailed information about our campuses, please visit <https://www.igdir.edu.tr/so-syal-tesisler>
